RE: Pennsylvania Unified Certification Program  
**DBE Recertification Approval**

DBE Certification #10540

Reassessment: November 30, 2010

Attention: Nancy Walker

The Pennsylvania Department of Transportation, a certifying participant in the Pennsylvania Unified Certification Program (UCP), has reviewed your request for recertification as a Disadvantaged Business Enterprise (DBE) and is pleased to inform you that your firm appears to meet the requirements established by the United States Department of Transportation in Title 49, Part 26 of the Code of Federal Regulations. Consequently, your firm is now recertified as a DBE to participate in the program in the following classification(s) only:

**Construction - NAICS Code 238910**

Consistent with the federal regulation, your firm is certified for a three year period. Prior to your annual anniversary date of November 30 of each year, you will be required to complete a "no change" affidavit. This affidavit must affirm there have been no changes in your firm's circumstances affecting its ability to meet Part 26 size, disadvantage, ownership, and control standards. Supporting documentation relative to your firm's size (gross receipts and number of employees) will be required at that time.

If you wish to expand your status to include another type of business, you must contact the UCP for reevaluation prior to undertaking any projects as a DBE in the expanded area.

Supplier firms that wish to act as a regular dealer must be aware that regular dealer credit cannot be given for drop shipments.
