RE: **WBE RECERTIFICATION NO: 6221033GC**  
**EXPIRATION DATE: June 13, 2011**

Dear Ms. Walker:

This letter is to inform you that your firm has been granted the following recertification in accordance with the City of Philadelphia regulations set forth in Executive Order 02-05:

<u>Code</u>	<u>Description</u>
WBE	Woman-Owned Business Enterprise ("WBE")

This certification is being offered through reciprocity due to your certification from the **New Jersey Commerce & Economic Growth Commission Office of Development for Small Business & Women & Minority Businesses**. Your home state certification expires on June 13, 2011; your City of Philadelphia certification will also expire on the same date.

When you reapply for MBEC recertification, all that will be required for those firms seeking reciprocity is a completed copy of the MBEC recertification application and a copy of your certification from your home state governmental agency.
